Dear Sirs:

If possible, will you please tell me where to get the new Irish Free State's "Zoo" Coins.

Will you also tell me at what cost, I remain,

Yours truly,

Dear Sir:

You might possibly get the Irish Free State coins from Guttag Brothers, 16 Exchange Place, New York City. A while ago they had a number of sets, but I am inclined to think that now they are entirely sold out. You can also get proof sets for $3.50 from the Irish Free State Legation, Washington, D.C.

Very truly yours,

Curator
